Micro Modular Technologies Signs Alliance Group One as Sales Representative for Florida, Puerto Rico and the Dominican Republic

Irvine, CA - June 17, 2008 – Today Micro Modular Technologies (MMT) announced the appointment of Alliance Group One as their sales representative for Florida, Puerto Rico and the Dominican Republic. "We are pleased to have Alliance Group One join our Americas sales team. Alliance Group One will be a solid addition aimed at providing strong support to our current and prospective customers in these areas," said Larry Cleland, VP of Sales and Marketing for MMT.

Gary Bolohan, President of Alliance Group One, said, "We are delighted to add Micro Modular Technologies to our line card. Their GPS receiver products are a key product addition for us. We are looking forward to helping develop this market for MMT."
